Good Sense Fresh
Room and fabric refresher

Description
Good Sense Fresh is a non-aerosol spray for eliminating odour in fabrics and furnishings.

Features
• Safe on colourfast, washable fabrics/furnishings
• Fast acting and long lasting freshness
• Unique, patented technology alters malodour molecules
• Effective against a wide variety of odours (tobacco, food, urine etc)

Benefits
• Suitable for use in all areas and on most fabrics/furnishings.
• Quickly leaves rooms and furnishings smelling fresh and clean.
• Effectively eliminates rather than masks odours.
• Can be applied as part of normal cleaning routine.

Instructions for use
Dosage:
Good Sense Fresh is ready to use; use undiluted.

Application:
Spray fabric or surface evenly until damp. Odours are eliminated as fabric dries. Difficult odours may require a second treatment. Amount of product dispensed will affect drying time. Allow treated fabric to dry before use.

Important:
Do not use on silk, leather, non-colourfast or non-washable fabrics. Test colour-fastness and material compatibility in a small inconspicuous place before use. Remove spillage or build-up from hard floors, as surface may become slippery.
Good Sense Fresh

Properties
Appearance Clear colourless liquid
Relative Density @ 20°C 1.00 typical

The data above is typical of normal production and should not be taken as specification.

Available pack sizes
750ml Spray Bottles

Safety Precautions
Essentially Non-hazardous.

In case of contact with eyes wash immediately with copious amounts of water then obtain medical attention without delay. In case of inhalation remove from source of exposure and obtain medical attention if symptoms develop. In case of ingestion remove material from mouth, drink 1 or 2 glasses of water or milk. Obtain medical attention without delay.

Store in original closed containers away from extremes of temperature.

Full guidance on the handling and disposal of this product is given in a separate Material Safety Data Sheet.
